

Partnership and Community Support Request Guidelines

Macquarie Credit Union has a proud tradition of supporting our Community in their charitable events through sponsorship, donations and other support.

Macquarie Credit Union receives many requests for partnerships and in order to make it easier to understand the process and what is needed to apply for a partnership, the following guidelines and eligibility criteria are provided.

Support Philosophy:

- for a contribution to operating or administrative costs
- considered a conflict of interest with Macquarie Credit Union or its staff
- for the promotion of religious beliefs or political persuasion
