

Remote Banking

Macquarie Credit Union has a range of remote access options to help those who don't have regular access to a branch. We offer quick, easy and convenient ways of banking.

Internet Banking

Don't have access to a branch? Why not bank online. Our internet banking service is one of the cheapest banking options available. It allows you secure access to your accounts 24 hours a day, seven days a week at your convenience whether you are at home or abroad.

Visa Debit Card

Our Visa Debit Card is so easily used remotely. It provides you access to your Transaction account funds at the touch of a button. You can use your card to access your own savings thereby incurring no interest charges or we can arrange an overdraft facility to be attached to your account to enable you to make purchases on credit.

ATM Access

Access to ATMs Australia wide, free of ATM fees by using CBA, NAB, ANZ or Westpac branded ATMs.

Bank@post

With Bank@Post you can withdraw and deposit funds to your savings accounts using your Visa Debit Card with an accompanying PIN (personal identification number).

Phone Banking

MacquarieLink, our Phone Banking Service gives you 24 hour access to your accounts from any touchphone. It's a free service; you only pay the cost of a local call, regardless of where you ring from within Australia.
