### **How to remain FEE FREE**

- Use your VISA card to pay for goods and services. Specify that you wish to pay by VISA, press 'CR' and enter PIN.
- Use Paywave for small purchases.
- Pay bills by BPAY® or by telephone using your VISA card.
- Pay your regular payments by direct debit.
- Use Internet banking to set up and amend periodical payments, check balances and transfer funds.
- Choose ATM's provided by major Australian Banks. ANZ, NAB, CBA and Westpac are fee free ATM's when operating within the Member Loyalty program transaction Limits.
- If you're withdrawing cash at an ATM, think ahead and draw out enough for future needs.
- When purchasing goods by EFTPOS, ask for extra cash at the same time – it will only count as one transaction.
- Avoid paying dishonour fees or transfer fees, by making sure you have sufficient cleared funds in your account before writing a cheque or a direct debit is due.
- Increase your value tier within the Member Loyalty Program. Investigate our other savings accounts and loans – you'll find them extremely competitive.
